Public Comment:

VanCamp announced that Rick Duescher has given his notice to resign and return to his previous place of employment. Applications for full-time Highway Maintenance are being taken through February 1. Duane Bann asked why the plow blades are not down when sanding. VanCamp explained that we plow first and then sand. County Highway T and State Highway 32 are clear because the road is sprayed with salt. The sun needs to come out for the highway to scrap the roads. Brian Krueger asked why the Humane officer doesn't pickup cats. Adamczyk explained that the Town of Townsend made the decision several years ago to not have the Humane Officer pickup cats, since there are too many and the cost got too high.

Business:

- 1) The Town has received the Forest Service grant and WEC grant for election security. We are still waiting on the Federal Forest Grant
- 2) Lighting Contest – the Kuczynski Family on School Street and Karla’s Kitchen are the contest winners. Each of them will receive \$100.00 gift card from BP.
- 3) Ice Rink – Rick Opeila has been clearing the snow. The ice has been compromised by the weather
